

First Aid and CPR Classes

We offer a cost-effective safety training. While our classes are fun, and energetic, they're no Joke!-You will receive the most comprehensive class.

We can handle small and large groups. Multiple classes can be set up to accommodate larger groups. Your class is tailor made and can include any class we offer including adult, child, infant CPR, and standard first aid, blood-borne pathogens, and AED (Automated External Defibrillator) Just tell us what you want, and we'll bring our team to you!

To book a private class for your home or office, call us to receive the "special" discounted prices that only groups receive.
