If you have applied to take a local examination and a **State** examination on the same date, contact the local jurisdiction only, providing the number and title of all examinations for which you have applied. This class exercises independent judgment, based on expertise in word processing applications and of departmental operations, to determine priority of work, channel work to appropriate staff members, monitor progress of work, meet deadlines, and to accomplish work with a minimum of supervision. This class is a high executive secretarial level position and is associated with the highest degree of skill, judgment, initiative, and effectiveness. Does related work as required.

**SUBJECTS OF EXAMINATION:** A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Grammar/Usage/Punctuation

The grammar and usage questions test for the ability to apply the basic rules of grammar and usage. The punctuation questions test for a knowledge of the correct placement of punctuation marks in sentences. 2. Keyboarding practices

These questions test for a knowledge of preferred practices in such areas as letter format, capitalization, hyphenation, plurals, possessives, word division, word and figure style for numbers, and common proofreading marks. In addition, there will be a passage to proofread followed by questions on how to correct the errors in the passage.

3. Office practices

These questions test for a knowledge of generally agreed-upon practices governing the handling of situations which typists, stenographers, secretaries, and office assistants encounter in their work, as well as a knowledge of efficient and effective methods used to accomplish office tasks. The questions cover such topics as planning work flow; setting priorities; dealing effectively with staff, visitors, and callers; filing and retrieving information; safeguarding confidentiality; using office equipment; and making procedural decisions and recommendations which contribute to a well-managed office.

4. Spelling

These questions test for the ability to spell words that are used in written business communications.

5. Principles of word processing

These questions are designed to test for features, capabilities and use of word processors. They may cover, but not necessarily be confined to, entering and editing text; using menus and commands; accessing, saving and printing documents.
