Required Communications

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America and <i>Government Auditing Standards</i> issued by the Comptroller General of the United States have been described to you in our arrangement letter dated January 9, 2023. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated January 9, 2023 regarding the planned scope and timing of our audit and identified significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Agency. The Agency did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant or Unusual Transactions or Policies We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.
Basis of Accounting	The accounting policies of the Agency conform to accounting principles generally accepted in the United States of America for governmental units as established by the Governmental Accounting Standards Board ("GASB"). The financial statements were prepared on the assumption that the Agency will continue as a going concern.
Audit Adjustments	A summary of audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Agency are shown in the attached Summary of Recorded Audit Adjustments.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Area	Comments
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Letter Communicating Management Suggestions	We have separately communicated the management suggestions in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Agency, including the representation letter provided to us by management, are attached as Exhibit B.

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of Middletown Community Development Agency (the "Agency") as of and for the year ended December 31, 2022. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Agency's practices and procedures.

We consider the following to be management suggestions:

*Disaster Recovery Plan

RBT noted during fieldwork that the Agency does not have a formal disaster recovery plan in place. RBT recommends that the Agency establish a formal disaster recovery plan to ensure minimal loss of data in the event of a major disaster in the Agency's system.

*Budget to Actual Reports

RBT noted that a budget to actual report is not provided to the Board in the Treasurer's report. RBT recommends that the annual budget be entered into QuickBooks and that budget to the actual reports are printed from QuickBooks and included in the Treasurer's reports.

Those comments denoted by an "*" are substantially unchanged from our 2021 letter and continue to be applicable.

This communication is intended solely for the information and use of the Agency and management and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,
